## OPENS THE SEASON IN THIS CITY

Marion Team will Travel 4,000 Miles During Season.

Local Officials Receive the Signed Contract of Tommy Wylett an Experienced Infielder

The local officers of the Ohio and Pennsylvania league have received a draft of the proposed schedule for the league season. According to the figures of president Morton, the average mileage to be traveled by each team during the season is between thirty-one and thirty-five hundred miles.

Local officials, however, figure that with the present schedule they will be required to make many big jumps with the local team, and that nearly four thousand miles will be traveled. It is probable that a number of dates can be changed so as to arrange matters satisfactorily.

The schedule as it stands at present will bring the local team to this city for the opening game. The committee will meet April 2 and complete its work, after which the schedule will be given to the public.

The signed contract of Tommy Wylett, an infielder of considerable experience, has been received by the management of the local O. and P. league team.

Wending tonight at Epworth.

## CITIZENS TO TAKE ACTION

Big Mass Meeting to be Held Thursday.

## LOCAL SUBWAY PLAN

To be Thoroughly Discussed by Marion People.

The Cost of Constructing the Subway From Leader to Greenwood Streets Would be About \$300,000

At a gathering of citizens interested in the welfare of the city, held at the office of John F. Last, Tuesday night, arrangements were made for a big public mass meeting, to be held Thursday night at 7:30 o'clock in the common pleas court room, at which time the question of compelling the Erie and Big Four railroads to lower their tracks through the city will be brought up and definite line of action decided upon.

As stated in the Mirror some time ago, a large number of citizens are in favor of having the railroad companies use a subway through the central part of the city. This is favored on account of the large number of lives lost by accidents on the grade crossings; the great danger incurred by those compelled to cross the tracks and by the great number of delays to surface traffic occasioned by the blocking of the street crossings by freight trains.

The advisability of having the city council take action in the matter was talked over at length at the gathering. For many days past, the crossings have been blocked many times from fifteen to thirty minutes and often longer. Only this morning a freight on the Erie blocked three of the crossings for about twenty minutes, the delay being caused by a broken knuckle on a coupling.

The officials of the railroad companies state that these breaks in the couplings are caused by the steep grade. The engineer is forced to slow down or stop and apply his "air" before being let down into the yards, and when the train is again started, the airbrakes refuse to release, the train in two.

In the event of a fire in the north end, at such a time the results would be disastrous.

The crossings are now guarded by watchmen until eight o'clock at night, but after that time there is no protection whatever, and much danger is incurred in crossing the tracks in any kind of vehicle.

Two propositions were talked over at the meeting. One plan is to lower the Big Four tracks and to have the Erie abandon its present right-of-way and construct a track along Mill street needed by the company.

The other plan is to have the Erie tracks lowered and to have the Big Four abandon its trackage through the city, receiving in exchange the same amount of land in the subway on the Erie's side. This plan seems to meet with the most favor because it would then be possible to open up Mill street from Greenwood street to the Union Station or farther in each direction, if desired. This would enhance property values throughout the north part of the city.

As has already been stated in the Mirror, there is a very heavy grade from the Union Station to Greenwood street. Between Leader street and Greenwood street the difference is 27 feet. Between the Union Station and Leader street, the difference in grade is six feet. This grade is

a very great disadvantage to railroad companies and costs each company many thousands of dollars annually in fuel and wear and tear on equipment. For that reason, and for other reasons assigned, the companies are said to be in favor of making the improvement.

It is the plan to excavate enough so that the tracks may proceed from the Union Station or from the Leader street bridge on a level. The tracks would then be fourteen feet under ground at Oak street, 17 at Prospect street, 19 at Main street, 21 feet at State street and 27 feet at Greenwood street. It would be necessary beyond Greenwood street to entirely eliminate the grade.

Over the "tracks" at Greenwood, State and Main streets, the viaducts could be constructed on a level with the streets. The viaducts at Prospect and Oak streets would have to be arched somewhat to give the proper distance above the tracks. The distance from Leader street to Greenwood is 5764 feet. City Engineer Dwyer estimates the total excavation necessary under either plan between the two streets named at 100,000 cubic yards. The total cost is estimated at about \$300,000 including the cost of stone retaining walls.

If the city council orders the railroads to commence work, the companies will be compelled to pay 65 per cent. of the cost and the city the remainder.

Tomorrow night's meeting will be presided over by Hon. Louis Scherff and many of the most prominent men in the city will speak in behalf of the project. It is hoped that a crowd that will tax the capacity of the court room will be in attendance.

Thirty days treatment for kidney bladder troubles and rheumatism for \$1.00. Your money refunded if not satisfied. Pineules contain no alcohol. Do not derange the stomach. Easy to take.

Sold by Flocken Drug Store.

Wending tonight at Epworth.

## TELEPHONE MEN FROM THIS CITY

Will Attend Annual Convention at Columbus.

Biggest Gathering of its Kind Ever Held in Ohio is Expected—Delegates From District Seven

The annual convention of the Ohio Independent Telephone association will be held at the Hotel Hartman in Columbus, March 28. The officials of the various Marion county companies will attend, and it is expected that the convention will be the largest attended gathering of its kind ever held in Ohio.

The convention will be called to order at 10 a. m. by Frank L. Beam, the president, and the program will be an excellent one. In the evening, the annual banquet will be held. In the state there are nine districts and Marion county belongs to District No. 7. The official lists of delegates from this district is as follows:

D. M. Odaffer, vice president, Marion; Jacob Hauss, Wapakoneta; August Schneck, Minister; L. H. Meckstroth, New Knoxville; R. K. Judy, St. Mary's; W. T. Hughes, Van Wert; E. M. Leslie, Convoy; A. T. Hutcheson, Scott; J. W. Summerset, Middleport; O. J. Harman, Wren; J. A. Swoveland, Ohio City; J. A. Wolford, Spencerville; C. M. Smith, Wilshire; M. H. Brinkerhoff, Upper Sandusky; W. A. Gibson, Upper Sandusky; L. C. Dow, Carey; E. G. Laughlin, Carey; George W. Verner, Pindlay; J. C. Bright, McComb; Harry McDaniel, Fort Recovery; G. E. Nungesser, Celina; William Pontius, Rockford; J. M. Kramer, Maria Stine; A. W. Larue, Celina; F. E. Guthrie, Marion; D. P. Ford, Prospect; George W. King, Marion; O. Wollenweber, Marion; D. M. Odaffer, Marion; W. A. Norton, Kenton; James L. Moore, Kenton; F. S. Chapman, Kenton; H. R. Butler, Ada; C. L. Clark, Ada; Dr. J. J. Boone, Mt. Victory; D. J. Cable, Lima; C. H. McTheany, Lima; Dr. I. R. Weatherhill, Bluffton; George Williams, Gomer; J. P. Linderman, Delphos; Mack Ashton, Spencerville; Dr. Monroe Davidson, West Newton; C. C. Heller, Beaverdam; Judge Snook, Paulding; John McKinley, Vaughansville; George Riser, Ottawa.

Leave your measure for your spring suit at Joe Vail's, North Main. 3-1511

Wending tonight at Epworth.

## WARNER &amp; EDWARDS

of Sherman Peck on an arson charge will commence this morning. Peck was convicted of arson at his first trial. He was then indicted on a murder charge. When this was nolle he was returned to the fire marshals for prosecution. In the meantime the new trial in that case had been ordered.—State Journal.

Sherman Peck was formerly a resident of Marion, and is still well known here. Recently Peck was indicted by the Morrow county grand jury for the murder of Shad Westbrook, a wealthy farmer residing near Ashley.

Call and examine Ellery's line of Wall Paper, before you buy.

## BADLY INJURED

John Penry of Prospect Meets with Painful Accident

Mr. John Penry, of Prospect, was the victim of a painful accident occurring Tuesday afternoon. The victim is a carpenter by trade and while in the act of splitting a board, using a sharp hatchet, the handle slipped from the tool and the sharp blade lodged in the muscles of his left ankle.

A physician was called, and an operation was necessary to extract a large piece of steel which had broken off and lodged deep in the flesh. Mr. Penry is resting easy today and the injury, it is thought, will not prove serious.

## MILLINERY OPENINGS

Attract Large Crowds of Lady Visitors.

## OHLER AND PHILLIPS

Entertain Thousands of People Tuesday Afternoon.

Up-to-Date Designs in Ladies' Headwear Shown at Stores of New Idea Co and Mrs. Jennie Thomas.

The spring opening exhibit of the '07 fashions and a reception to the ladies of the city, at the Uhler & Phillips store, attracted several thousand persons yesterday afternoon between the hours of one and five.

It was a big fashion show and during the reception the store was thronged with great crowds of stylishly dressed women, who inspected the spring offerings of the establishment.

The store was tastefully decorated throughout with cut flowers, ferns, palms and Easterlike novelties, presenting a scene that was most inviting. The displays of spring goods corresponded with the delightful weather without and added much to the splendor of the occasion.

During the afternoon Dowler's orchestra screened behind a ban of palms on a balcony, rendered a delightful program of music. Every guest of the proprietors on this occasion were presented with rose and chrysanthemum souvenirs. The spring exhibit will be continued throughout the week.

Probably the most interesting display, for the lady visitors, was the chic assortment of ladies' headwear shown in the millinery department under the management of Mrs. E. E. Powers. Here everything new and up-to-date was to be found and the display would do credit to a city many times the size of Marion.

The first annual millinery opening of the New Idea Millinery store began this morning and will continue until tomorrow evening. This new but prosperous and up-to-date shop located in the Leffler block on Church street attracted scores of the stylish ladies of the city today who were desirous of locating the latest styles in Easter bonnets and dress hats.

The first day of the opening proved a decided success. A beautiful Easter souvenir was given each visitor and the aisles were crowded with people much impressed with the neat arrangement of the store and the fine stock of millinery goods, which were displayed in handy fashion. This store is destined to be a leader among the already numerous fashionable shops of the city and all ladies, whether prospective customers or not should not fail to witness the extraordinary lot of goods now being exhibited by the new firm.

The spring millinery opening of the well established store of Mrs. Jennie Thomas was conducted yesterday and today, proving one of the greatest successes in its history. The latest styles in children and ladies hats were displayed and a large number of customers visited the store both days.

## Rheumatic Pains Relieved

Chamberlain's Pain Balm relieves rheumatic pains and makes sleep and rest possible, which is alone worth many times its cost. B. F. Crocker, Esq., now 84 years of age, and for twenty years Justice of the Peace at Martinsburg, Iowa, says: "I am terribly afflicted with sciatic rheumatism in my left arm and right hip.
